

CALL FOR FULL PAPERS

International Symposium on “Sustainable Plantation Management” (ISSPM) 2023

Thematic Tracks :

- Sustainable resources utilization
- Technological innovations
- Integrated management & socio- cultural practices
- Policy implications & legislative procedures in plantation management
- Climate resilience in plantation sustainability
- Current challenges and issues in sustainable plantation management

The Editorial Committee for the ISSPM invites the scientists, industrialists, investors, plantation managers, academicians, policy makers and undergraduates to submit full papers to be considered for presentation at the Technical Sessions of the ISSPM 2023. The full papers should be based on original research work and, if accepted, should be presented by the author/authors. All accepted full papers will be published in the Proceedings Book of the ISSPM 2023, National Institute of Plantation Management.

Deadline for submission of full papers: (15th December 2022)

To be considered for evaluation, each submission should include the following documents.

1. Full papers
2. The author's declaration form. (The annexed declaration form must be signed and returned by the corresponding author via email (scanned copy) along with each full paper submitted).

Guidelines for preparation of the full paper are attached. Please follow the instructions carefully. Full papers that are not prepared according to the guidelines provided, or are submitted after the deadline, will not be considered for review. The Editorial Committee reserves the right to make alterations to the text of the full paper for improving the quality.

Authors should send their full papers with the contact numbers to nipmsymposium2023@gmail.com on or before 15th December 2022.

GUIDELINES FOR THE SUBMISSION OF FULL PAPER
